Report of Independent Accountants

To the Community Foundation of
Southeastern Connecticut, Inc.

We have audited the statement of financial position of The Community Foundation of Southeastern Connecticut, Inc., as of December 31, 2002 and the related statements of activities and cash flows for the year then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Community Foundation of Southeastern Connecticut, Inc., as of December 31, 2002 and the results of its operations and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS

Note 1 - **Summary of Significant Accounting Policies:**

Nature of Activity - The Community Foundation of Southeastern Connecticut, Inc. (the Foundation) is a nonprofit corporation located in New London, Connecticut. The Foundation invests contributions which it receives from the public and disburses investment earnings for charitable purposes.

Basis of Accounting and Presentation - The Foundation prepares its financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP). Accordingly, the accounts of the Foundation are reported in the following categories:

Unrestricted Net Assets - Unrestricted net assets represent available resources other than donor-restricted contributions. GAAP provides that if the governing body of an organization has the unilateral power to redirect the use of a donor's contribution to another beneficiary, such contributions must be classified as unrestricted net assets. The Board of Directors of the Foundation has that ability known as variance power. Accordingly, the Foundation's financial statements classify substantially all funds, including the corpus of endowment funds, as unrestricted net assets.

Temporarily Restricted Net Assets - Temporarily restricted net assets represent contributions which are restricted by the donor as to purpose or time of expenditure. This classification includes income and appreciation, subject to purpose restrictions, and split-interest agreements, as discussed below.

Permanently Restricted Net Assets - Permanently restricted net assets represent resources which have donor-imposed restrictions that require that the principal be maintained in perpetuity but permit the Foundation to expend the income earned thereon. These permanently restricted net assets include the Foundation's proportionate share of the principal amount of irrevocable trusts with outside trustees, for which trusts the Foundation is an income beneficiary, namely the Dorothy L. Morgan Trust and the Lawrence and Marjory Smith Trust.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents - For purposes of the statements of cash flows, the Foundation considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents, exclusive of cash equivalents held by investment managers. The Foundation's deposits in financial institutions may, at times, exceed federal depository insurance limits. However, management believes the Foundation is not subject to significant credit risk on its deposits.

lives ranging from five to forty years. Donated property and equipment are carried at the fair value at the date of donation.

Donated Assets - Donated marketable securities and other noncash donations are recorded as contributions at their fair values at the date of donation.

Investments - Investments in equity securities with readily determinable fair values and investments in debt securities are carried at fair value in the statement of financial position. Realized and unrealized gains and losses on these investments are reported in the statement of activities as increases or decreases in unrestricted net assets unless their use is temporarily or permanently restricted by explicit donor stipulations or by law. Investment income and gains restricted by donors are reported as increases in unrestricted net assets if the restrictions are met in the same reporting period in which the income and gains are recognized.

Income Tax Status - The Foundation is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. The Foundation has also been classified as an entity that is not a private foundation within the meaning of Section 509(a) and qualifies for deductible contributions as provided in Section 170(b)(1)(A).

Split-Interest Agreements - Split-interest agreements consist of assets placed in trust for the benefit of the Foundation and other beneficiaries. Revocable split-interest agreements are not recorded as contributions unless enforceable by law. Irrevocable split-interest agreements are recorded as contributions at fair value when the assets are received or when the Foundation is notified of the existence of the agreement. The accounting treatment varies depending upon the type of the agreement created and whether the Foundation or a third party is the trustee. See Note 4 for a further discussion of split-interest agreements.

Contributions - Unconditional contributions are recognized when pledged or received, as applicable, and are considered to be available for unrestricted use unless specifically restricted by the donor. Contributions receivable expected to be collected in more than one year are discounted to their present value. The Foundation reports nongovernmental contributions and grants of cash and other assets as temporarily restricted support if they are received with donor stipulations that limit their use. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Contributions received whose restrictions are met in the same period are presented with unrestricted net assets. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

Spending Policy - Investment funds consist of numerous component named funds, both unrestricted and restricted, which are gifts to the Foundation to be invested as permanent funds of the Foundation. The Foundation's endowment is managed for perpetuity and the maintenance of purchasing power. The spending rule currently used by the Investment Committee sets gross Foundation spending at 5% of market value. Funds spent may be income, principal or a combination of both.

All permanent endowment funds are managed on the "total return" concept. Earnings are used to defray the fund's share of operating expenses with the balance used for grant distribution and/or reinvestment, so that the fund principal keeps pace with inflation.

Functional Allocation of Expense - The costs of providing various programs and other activities has been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Note 2 - **Investments:**

Investments consist of the following as of December 31, 2002:

Cash equivalents	\$ 338,693
Common stocks	7,966,509
Pooled funds	5,743,976
Mutual fund investing in stocks	<u>273,037</u>
 Total Investments	 \$ <u><u>14,322,215</u></u>

Investment income (loss) consists of the following for the year ended December 31, 2002:

Dividends and interest	\$ 461,463
Investment losses	<u>(2,155,640)</u>
	 \$ <u><u>(1,694,177)</u></u>

Note 3 - **Contributions Receivable:**

Contributions receivable consists primarily of pledges receivable from numerous individuals for the "Women and Girls Fund." Contributions receivable as of December 31, 2002 are expected to be collected as follows:

Receivable in less than one year	\$ 33,093
Receivable in one to five years	<u>49,509</u>
Total contributions receivable	82,602
Less discounts to net present value	<u>4,350</u>
 Net Contributions Receivable	 \$ <u><u>78,252</u></u>

Note 4 - **Split-Interest Agreements:**

Beneficial Interest in Perpetual Trusts - The Foundation retains a beneficial interest in a trust established by Dorothy L. Morgan and held by an unrelated trustee. Under this arrangement, the Foundation receives investment income from the trust in perpetuity, but does not have access to the principal. The beneficial interests are carried at the present value of estimated future receipts from the trusts, which is measured by the fair market value of the assets in the trust. Changes in the carrying amount of the beneficial interest are recognized as increases or decreases in permanently restricted net assets. The income received from the trust and included in investment return in the statement of activities for the year ended December 31, 2002 was \$180,204.

Assets in Trust - Charitable Remainder Trust - The irrevocable Charitable Remainder Annuity Trust (CRAT) is held by a third party with the grantor as the named life beneficiary. A CRAT provides for the payment of distributions to the grantor or other designated beneficiaries over the trust's term, usually the designated beneficiary's lifetime. At the end of the trust's term, the remaining assets are available for the Foundation's use. The portion of the trust attributable to the present value of the future benefits to be received by the Foundation was recognized in the statement of activities as a temporarily restricted contribution in the period the trust was established. On an annual basis, the Foundation revalues the liability to make distributions to the designated beneficiaries based on actuarial assumptions. The liability is calculated using the Federal Applicable Rate for a remainder interest under Internal Revenue Code Section 7520 and applicable mortality tables.

Assets in Trust - Pooled Income Fund - The Foundation established a pooled income fund which is held in trust by a third party. Contributions to the fund are an irrevocable agreement in which the remainder interest in such contributions reverts to the Foundation. The donor retains a life interest in the income earned on such assets for one or more named beneficiaries. Contributions from multiple donors are commingled for investment purposes. The respective funds are unitized based upon the relationship of the fair value of the contributions to the fair value of the pool as a whole at the time the donor enters the pool. Upon termination of the life interest, the units attributable to that life tenant revert to the Foundation. The accounting for the pooled income fund is the same in principal as for the CRAT.

Charitable Gift Annuities - The Foundation established a charitable gift annuity program in 2002. Under the terms of the program, contributions are received from donors in exchange for a promise by the organization to pay a fixed amount for a specified period of time to a donor or individuals designated by the donor. Annuity contracts may be established for either one or two lives and provide that fixed payments be made to the annuitants for the remainder of their lives. Upon termination of the annuity contract, any remaining assets revert to the Foundation for purposes as specified in the charitable gift annuity contract.

In 2002, the Foundation recorded contributions to the charitable gift annuity program of \$15,033, and a related liability for future annuity payments of \$9,201 related to the assets transferred into the program.

Note 5 - **Property and Equipment:**

The following is a summary of property and equipment as of December 31, 2002:

Land and building	\$ 304,382
Furniture, fixtures and equipment	65,171
	<u>369,553</u>
Less accumulated depreciation	44,380
	<u><u>325,173</u></u>
Net Property and Equipment	\$ 325,173

Note 6 - **Temporarily Restricted Net Assets:**

Temporarily restricted net assets represent contributions, gifts and income from investments that can be used for the purposes specified by the donor. Temporarily restricted net assets are comprised as follows:

Verguson Trust	\$	26,425
Pooled income funds		203,326
Women and Girls Funds		<u>78,252</u>
	\$	<u><u>308,003</u></u>

Note 7 - **Permanently Restricted Net Assets:**

At December 31, 2002, permanently restricted net assets consisted of the following:

Dorothy L. Morgan Perpetual Trust	\$	3,120,359
Lawrence P. and Marjory B. Smith Charitable Remainder Trust		<u>658,442</u>
	\$	<u><u>3,778,801</u></u>

Note 8 - **Commitments:**

As of December 31, 2002, the Foundation has conditional commitments to pay grants and scholarships of approximately \$43,000.

Note 9 - **Description of Supporting Services:**

Grants - The Foundation distributes grants from discretionary, donor advised and designated funds to organizations and projects that benefit the communities of East Lyme, Groton, Ledyard, Lyme, Montville, Stonington, North Stonington, Old Lyme, New London, Salem and Waterford. The Foundation's grant making strategy is intended to strengthen the capacity of local nonprofit organizations and the community as a whole. Grants are awarded across a broad range of fields.

Scholarships - The Foundation distributes scholarship awards from managed scholarship funds according to the criteria established by the donor. The Foundation also distributes scholarship awards from its own discretionary funds by committee. Recipients are primarily students graduating from high school, who are planning to further their education, typically from East Lyme, Groton, Ledyard, Lyme, Montville, Stonington, North Stonington, Old Lyme, New London, Salem and Waterford.

General and Administrative - These functions are necessary to maintain and ensure an adequate working environment, to provide coordination and articulation of the Foundation's program strategy and ensure proper administrative functioning of the Board of Directors and management of the financial and budgetary responsibilities of the Foundation.

Note 10 - **Prior Period Restatement:**

The December 31, 2001 net assets have been restated to reflect those net assets to their proper classification. The following is a summary of the restatement:

	<u>Unrestricted Net Assets</u>	<u>Temporarily Restricted Net Assets</u>	<u>Permanently Restricted Net Assets</u>	<u>Total Net Assets</u>

Reclassification of permanently restricted net assets to unrestricted because the foundation holds variance power and reclassification of split-interest agreements	<u>16,355,517</u>	<u>(571,806)</u>	<u>(15,783,711)</u>	<u>-</u>
Net Assets - December 31, 2001, as Restated	<u>\$ 16,786,209</u>	<u>\$ 444,635</u>	<u>\$ 4,664,051</u>	<u>\$ 21,894,895</u>

Report of Independent Accountants on Supplementary Information

To the Community Foundation of
Southeastern Connecticut, Inc.

Our audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of general and administrative expenses for the year ended December 31, 2002 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.
